Player, Manager, Coaches, Conduct:

- ❖ Any team member, who willfully strikes, shoves, bumps, grabs, or runs into an umpire will be suspended from the league for one full year. This restriction may become permanent if the Recreation Staff, Head Umpire and the Director of Parks and Recreation feel the severity of the incident justifies such action.
- ❖ Any team members, who are found drinking at a playing area, will result in a team suspension for one game. If this occurs a second time, the team will be suspended for the remainder of the season without a refund.
- ❖ Only the team manager or designated player will be allowed to communicate with the umpire. Other players who communicate with the umpire will be warned by the umpire (team warning through manager) first, and then ejected from the game after another occurrence. That player will be subject to the unsportsmanlike conduct rule.
- ❖ If a player is removed from the game by an umpire for unsportsmanlike conduct or abusive language, he will receive a verbal warning from the League Supervisor through the Team Manager. If the same player is removed a second time, he will receive a written warning from the League Supervisor and will be suspended for the next two games (this includes post-season play). If the same player is removed a third time, he will be suspended from the league for one full year or permanently. This suspension will carry over into next season.
- ❖ If the League Supervisor feels that the severity of the unsportsmanlike incident warrants an immediate one year suspension, permanent suspension, or temporary suspension, this action will be taken with the knowledge and consent of the Director of Parks and Recreation. This action will be taken in cases of excessive verbal abuse and profanity, physical abuse, in a case where an ejected player refuses to leave the field and disrupts the game, or a suspended player disrupts any league game, and in cases involving unnecessary physical contact provoked by one player against another player.
