November!

We can't believe it is already November. This school year is flying by! October was an exciting month.

The Teen Center had two visits from SoPo Unite. Triple A Driving School came by with their driving simulators to teach the Teens the rules of the road! October was also a month full of cooking snacks for the Teen Center. We made cookies, pancakes and fruit salad!

November has a lot happening too. SoPo Unite will be back. The Teen Center is also having a Turkey Dinner for all Teen Center Members and Community Partners! The Teen Center is also working with a local dance studio for a possible pop up dance class! Thank you!
