

It's time to showcase your artistic ability! We will be bringing back hard copies of our seasonal brochure and are now accepting cover **photo entries for the Park, Recreation & Waterfront 2021 Fall Brochure**. The photo should be eye catching, classy and professional in its look and have a fall theme. Images of South Portland landmarks or parks from the fall season are good examples. It can be created using any graphics program(s) you like, but we would like final delivery in PNG or JPEG format with dimensions of 8 ¾ x 11 with 200 DPI high resolution. The photo will be used as the front cover for our 2021 Fall Brochure that is distributed throughout the South Portland community and posted on our website. The photo may get trimmed slightly to fit the cover and will have registration marks and other information covering parts of the picture.

The deadline to submit a photo is Friday, July 23, 2021. Photos can be sent to Anthony Johnson at ajohnson@southportland.org. A winner will be chosen shortly after and their name will be recognized on the inside cover of the brochure as the contest winner. A great way to showcase your artistic ability to the entire community! Questions, email Anthony at email address above. We look forward to seeing some great photos.
