Fall Swim Lessons

Pool programming for Fall is in full swing and we are so happy to see so many new and returning faces in the water! Just a reminder that all swim lessons (with the exception of Wednesday AM classes) run for 7 weeks. Classes will end on 11/12-11/18. All youth lessons will receive a progression card detailing each swimmer's strengths and areas needing improvement, as well as a note on which level to register for in the Winter. Please direct any questions to the Aquatic Supervisor on Duty.

We are enjoying our new pool deck surface; it's easy to clean and has an overall fresh look. Until the deck receives more use, it will continue to be on the slick side. Please walk on the black mats provided for traction. We also recommend investing in a pair of treaded deck shoes or sandals. Thank you for taking care when walking around the pool area. Slow and steady is your best bet.

Winter Lesson Registration Dates

Residents: Monday, 12/7

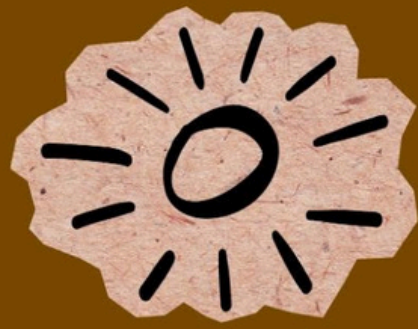

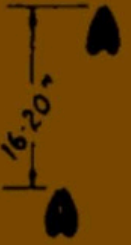

Non-residents: Thursday, 12/10

Registration begins at 7am

Check out our Winter programming in the Winter/Spring brochure available at the end of November online.

Tracking Fundamentals

ALL DIMENSIONS VARIABLE

Most people walk across the beach seeing nothing but footprints in the sand. But to a trained tracker, those shapes are a map of behavior, energy, speed, and intent.

Drawing from the rich lineage of the Tom Brown Jr. Tracker School and Maine Primitive Skills philosophies, this workshop with Park Ranger Robbins will completely break your "tunnel vision" and awaken your awareness of the landscape.

What to Bring: Comfortable footwear for walking on sand, layers for the coastal Maine breeze, a notebook, and an open, curious mind. No previous outdoor or tracking experience required.

Location: Willard Beach, South Portland, ME (Willard Shack)

Date & Time: November 3rd and 18th | 10:30 - 11:30 AM

Sponsor Highlight

GENERAC®

Generac is a total energy solutions company that empowers people to use energy on their own terms. Founded in 1959, Generac is a leading global designer, manufacturer, and provider of a wide range of energy technology solutions. The Company provides power generation equipment, energy storage systems, energy management devices & solutions, and other power products serving the residential, commercial, data center, telecom, rental and industrial markets. The Company's broad portfolio of energy technology offerings for homes and businesses enables its mission to Power a Smarter World and lead the evolution to more resilient, efficient, and innovative energy solutions.

Through active community engagement, Generac strives to be a good neighbor by powering possibilities and generating goodness where they have employees living and working. They operate a Clean Energy office in South Portland and the Parks, Recreation and Waterfront is one of the many local organizations Generac supports in a community they are proud to be part of.

Thank you Generac for sponsoring the Bug Light Car Show. Our community events would not be possible without the support of our sponsors!

THANK YOU
